forma-stor COSHH™

Our new COSHH compliant, quick-assembly, modular storage units for the safe storage of hazardous substances

Forma-Stor COSHH™ is our innovative modular solution for on-site secure storage. Flat-packed **Forma-Stor COSHH™** units can be constructed in around 10 minutes with very few tools and can be moved easily using built-in forklift pockets or lifting eyes. Galvanised panels fasten neatly together to provide a robust store that can be configured in numerous sizes, starting from just 1 m x 2 m. Several HSE features have been carefully designed to enable contractors to meet COSHH regulations on-site.
